## **MONDEOR PROCEDURE: BOOKS NOT AVAILABLE AT TIME OF COLLECTION**

It is Mondeor Eco School's objective **to start immediately with the academic year** when school commences on 14 January 2026.

ALL learners **MUST** have ALL their textbooks by **9 January 2026**.

Therefore, it is important that ALL textbooks must be returned on the day of the exams to give us time to repair books before packing. Textbooks are returned to Classroom 102.

**Placing of orders and the payment of quotations and invoices** at due dates is important to ensure that the bookshop reach their target to have things ready for 5 January 2026. Stationery is bought in bulk, therefore the discounted prices, is only possible if you keep to payment dates.

Management does everything in their power that all books are available when packing. When ordering new prescribed books and workbooks, it sometimes happens that the Publishers are out of stock or that there is a reprint that they are waiting for. These are circumstances **beyond our control**.

- These challenges are communicated with the school.
- Therefore, it is important the orders reach us by latest 24 September 2025 or for new registrations, within five working days after receipt of the order forms.
- You will receive a "backorder" form in your book parcel indicating which books are outstanding.
- Learners that supplied their contact numbers, will be informed via WhatsApp message.
- **Primary School:** Learners will receive the backorder book/s within the classroom.
- **High School:** **It stays the learner's responsibility to collect the book/s at the bookshop.**
- **High School:** No outstanding books can be collected between 12 and 24 January 2026 due to pressure at the counter attending to new registrations.
